

Year 12 WACE Exam Preparation Courses 2024

Course:

The WACE Exam Preparation Courses help students thoroughly review the syllabus, apply their knowledge, and practice selected state-standard exam questions, ensuring they are fully prepared for their final WACE exam.

Who is this course for?

This course is for students who want to:

- Thoroughly revise the entire ATAR syllabus and maximise their marks in the final WACE exam.
- Clarify any lingering misconceptions before the final exam.
- Access carefully selected WACE-style exam questions to perfect their exam technique.

Structure:

- The WACE exam course consists of three, 3-hour lessons over three weeks.
- Students receive weekly revision booklets, practice exam-standard questions under timed conditions, and learn strategies, skills and tips to boost exam-performance.
- The course covers the full ATAR syllabus in an interactive format, with WACE-graded take-home materials for extra preparation support.
